

## **Management Club Association**

*is the center of studies and research created to promote the analysis and comparison on the subject of the ruling class and its growth.*

### **Mission**

The Association is as a "pole of attraction" of the best Italian talents. AMC uses these resources to interpret the global context and to suggest effective policy focused on skills and merit.

### **Activity**

The Association carries out researches focused on Italian economy, characterized mainly by small and medium-sized enterprises. Our initiatives are aimed at enhancing the experience of the territories in which researchers, managers and entrepreneurs integrate academic work with practice management.

### **Partners**

*Confindustria  
Federmanager*

### **Founders**

*Fondirigenti  
Università LUISS*

### **Other partners**

*Confindustria  
Federmanager  
Fondazione Giuseppina Mai  
Gruppo Finmeccanica  
Progetti Manageriali  
Sistemi Formativi Confindustria  
Università Carlo Cattaneo – LIUC*

### **Tools**

The Association's activities include the direct involvement of the main actors of the social and economic system, from both the public sector and the private sector. The supply of qualified experience, development of systems and methods of inquiry developed by the members, such as focus groups and workshops, allow centralizing the enterprise and management as actors of innovation.

## **Management**

### **Executive Board:**

*Renato Cuselli - President  
Rita Santarelli, vice - President*

*Giorgio Ambrogioni  
Giancarlo Coccia  
Giovanni Lostorto*

### **Director:**

*Pietro Fiorentino*

### **Ruling Class Report**

The survey, now in its 6<sup>th</sup> edition, emphasizes the positive elements and characterizing the experiences of innovation in business and management, analyzing the role of elite for the development, also in terms of international benchmarks.

### **Interest Representatives Report**

This Report is a new area of commitment of AMC on the role of interest Representative in light of the mediation of interests toward the building of the common good.

### **Repository**

The close connection between research activities will allow creating an observatory where to collect the results of studies, in order to be available to institutional shareholders and partners.

### **How to join in**

*AMC looks forward to attracting new partners bearers of values, contributions and resources consistent with the mission of the Association. To join in simply submit an application to the Board of Directors as an ordinary member or a supporting member, by filling out the registration form available at [www.managementclub.it](http://www.managementclub.it).*
